

BRIEFLY...

A WORD ON THE ROOMS:

You have just entered your room. It is clean and you must give it back as clean as it was on your arrival. As we do not want to clean up the rooms (as it has already happened before) we will not hesitate to hold 250FF off your guarantee to pay the cleaning up of the dirty rooms. If, by chance, they are dirty, please come and see us to ask for brooms and cleaning products.

ARTICLES

You can write your own articles in this newspaper, about any topics you're keen on: Races, Sailing, gossip....

Send them to race's headquarter.

A WORD ON THE TEAM MEAL

So you can prepare your fantastic home specialities, you will have access to the Coralie kitchens between 16h30 and 20h. But, there cannot be more than 10 persons at the same time inside the kitchens: this means that each team can send only two persons at the same time. As training is scheduled between 16h and 18h, it would be great if teams with replacements could prepare the meals during this time. Ask Grego or Moncel for this. Thanks.
